BOUNDARY LINES

OF THE

COUNTIES IN WEST VIRGINIA.

As Originally Formed, From What Counties Taken, With
Date of Formation.

Barbour County.

Formed in March, 1843, from Harrison, Lewis and Randolph counties.

Bounded as follows: Beginning opposite the mouth of Sandy creek, on the east side of the Valley river, in the now county of Randolph, thence down said Valley river, with the several meanders thereof, to M'Daniels ferry, thence a straight line to the dividing ridge on the waters of Simpson's creek and Bartlett's run, (so as to include Reuben Davisson's farm within the new county,) thence a straight line to the old farm now occupied by Samuel Bartlett, thence to the head of Goodwin's run, thence a straight line to the mouth of Matthew's Camp run on Elk creek, thence a straight line to William Bean's, on Gnatty creek, thence a straight line to the head of Peck's run, thence with the dividing ridge between the head of Peck's run and Hacker's creek to the gap of said ridge, where the road crosses, leading down to Hacker's creek, thence a straight line to Samuel Black's residence, (including the farm of said Black within the new county,) on Buchanan river, thence a straight line to the mouth of Sarvis run, on the middle fork of the Valley river, thence a straight line to the gap of the Laurel Hill mountain, where the widow Corley's corner tree stands, thence with the top of the said mountain until where it comes to the Preston county line, thence with the Preston and Randolph county line to the beginning.

Berkeley County.

Formed in February, 1772, from Frederic county.

Bounded as follows: Beginning in the line that divides the counties of Frederic and Loudoun, one mile and an half northward of the corner in Williams's gap, that at present divides the parishes of Frederic and Norborne, thence westward with a line exactly parallel to the line that now divides the parishes of Frederic and Norborne, till it intersects the line of Hampshire county, thence with the Hampshire line to the corner dividing the parishes of Frederic and Beekford, thence with the lines dividing the said parishes of Frederic and Beekford, east south-east, to the south-eastwardly bank of Cedar creek, thence binding on the same to its confluence with the river Shenandoah, thence across the said river east, to the easterly bank of the same, thence down the said river and binding on the same, to the mouth of Passage creek, and thence with a right line to the line of Culpeper, at the intersection of the road leading through Chester's gap, thence with the Culpeper, Fauquier, and Loudoun lines to the beginning.

Boone County.

Formed in March, 1847, from Kanawha, Cabell and Logan counties.

Bounded as follows: Beginning at the mouth of Cobb's creek, (a branch of Little Coal river,) on the point between said creek and river, and thence running with the top of the ridge on the upper side of said creek, to the dividing ridge between said creek and the waters of Mud river, thence with and along the top of said dividing ridge, to the head of Horse creek and the Laurel fork of Mud river, thence taking the dividing ridge between said Laurel fork and the waters of the Sugar Tree fork of said Mud river, to the mouth of said Laurel fork, thence (crossing the main fork of Mud river) a straight line to the top of the dividing ridge between the headwaters of Ugly creek and Mud river, thence with and along the top of said ridge to the head of the Grassy fork of Ugly creek, thence down said Grassy fork to Main Ugly creek, thence a straight line (crossing Main Ugly creek and Big creek at William Martin's) so as to include said Martin on Big creek, thence up a small branch to the top of the dividing ridge between Godby's fork and the Middle fork, thence with and along the top of the said dividing ridge, passing the head of Vannater's branch and taking or continuing the said ridge above said branch to Hewett's creek, and crossing said creek above the house of Obadiah Bias, senior, (so as to include said Bias and James Bias within the new county,) thence a straight line to the Point ridge, above the mouth of Big Laurel creek, on the Spruce fork of Coal river, and with and along the top of said ridge to the head of Big Laurel creek, thence with and along the top of the said dividing ridge, between the waters of Guyandotte river and Little Coal river, to the dividing ridge between the Marsh fork of Big Coal river and Little Coal river, and with and along the top of said dividing ridge to the mouth of the

said Marsh fork, thence crossing Big Coal river at the mouth of the Marsh fork of said Big Coal river, and up the mountain to the top of the dividing ridge between Big Coal river and Kanawha river, thence with and along the top of said dividing ridge down to the head of Bull creek, and with and along the top of the ridge below Bull creek to Big Coal river, and thence down said river as it meanders to the mouth of Fork creek, thence taking the point below said Fork creek to the head of Dick's creek, and thence with and along said creek as it meanders to Little Coal river, and down said river as it meanders to the beginning.

Braxton County.

Formed in January, 1836, from Lewis, Kanawha and Nicholas counties.

Bounded as follows: Beginning at the Salt works road at the head of Barbecue run, and running thence with the dividing ridge of the Kanawha and Monongalia waters to the head of the Fall run, thence along the leading ridge to the forks of the Little Kanawha, thence up the right hand fork to its head, thence with the dividing ridge between Kanawha, Buchanan and Elk waters, to the corner of Randolph and Nicholas county line, thence with the said line to the top of the Point mountain above the Fork lick, thence along the top of the Point mountain to the end thereof, thence a straight line to Joseph Priam's (so as to include Joseph Priam's lands within the boundary of the new county), thence a straight line to the top of the ridge between Big and Little Birch river, and down said ridge to the mouth of Little Birch river, thence a straight line to the mouth of the Reek-camp fork of Big Buffalo (above Young's bottoms), thence down the same to its mouth, crossing Elk river, thence to the upper three forks of Big Sandy river, thence to the Lewis and Kanawha county line, at a point where a straight line to the mouth of the Long Shoal run will include Jacob Shock, on Steer creek within the boundary of the new county, thence up the said Long Shoal run to the top of the ridge between the Sand fork and Little Kanawha, thence with the dividing ridge to the head of the left hand fork of Three lick fork of Oil creek, thence to its mouth, thence up the Clover lick fork to the beginning.

Brooke County.

Formed in November, 1796, from Ohio county.

Bounded as follows: Beginning on the Ohio river at the mouth of Short creek, thence up the said creek to Nathaniel Coleman's mill, thence a straight line to the north-west corner of Robert McClure's field on the ridge between Short creek and Buffalo creek, thence south seventy-five degrees east, until it intersects the line of the state of Pennsylvania.

Cabell County.

Formed in January, 1809, from Kanawha county.

Bounded as follows: Beginning at the corner of Mason county in Texas Valley, thence a direct line to the mouth of the Spruce fork of Coal river, thence up said fork to where the line of Giles county crosses it, thence with the said line to Tazewell county line and with said line to the Tug fork of Sandy, and down the same to its conflux with Ohio river, thence up the same to the mouth of Little Guyandotte, in the county of Mason, and with the Mason line to the beginning.

Calhoun County.

Formed in March, 1856, from Gilmer county.

Bounded as follows: Beginning at the West fork of the Little Kanawha, where the Gilmer and Wirt county line crosses the same, thence up the West fork to the mouth of Henry's fork, thence up said Henry's fork to the mouth of Beach fork, thence with the dividing ridge between said Beach fork and Henry's fork to the Gilmer county line, thence to include all the waters of said West fork within the county of Gilmer, to the Gilmer, Ripley and Ohio turnpike to the head of Cromey's creek, thence with said turnpike to the mouth of Bear fork of Steer creek, thence a straight line to the head of Muscle shoals of the Little Kanawha river, thence by the shortest line to the top of the dividing ridge between waters of Tanner's fork and Laurel creek to the Ritchie county line, thence with the Ritchie and Gilmer county line and the Wirt and Gilmer county line to the place of beginning.

Clay County.

Formed in March, 1858, from Braxton and Nicholas counties.

Bounded as follows: Beginning at the mouth of Duck creek on Elk river, thence with the divide between Duck creek and O'Brian's creek to the divide between the waters of the Little Kanawha river and Elk river, thence a straight line to the Braxton and Calhoun county line (so as to include the farm of Thomas Jarvis, Jr., in the new county), thence with the Braxton county line (as originally run) to the Three forks of Sandy creek (at James Rogers'), thence a straight line to the mouth of Queen Shoal creek, a south branch of Elk river, thence a straight line to the south-east corner of a tract of about twelve thousand acres of land owned by Charles Rufner and others (near the farm of William Nichol, Sr.), thence a straight line to the farm of Strother B. Grose on the waters of Buffalo creek, so as to include his land in the new county, thence a straight line to Abraham Dilly's on Strange creek, so as to include his land in the new county, thence with the divide between Strange creek waters and Grove's creek waters, to the beginning.

Doddridge County.

Formed in February, 1845, from Harrison, Tyler, Ritchie and Lewis counties.

Bounded as follows: Beginning on the South fork of Hughes's river at the mouth of Sugar Camp run, at James Gray's, thence a straight line to the gap at the head of the right hand fork of Bone creek, thence a straight line to the mouth of the Sand fork of Fink's creek, thence on the dividing ridge between Sand fork and Fink's creek, thence following the dividing ridge between the waters of Middle Island creek and Fink's creek, and the west fork of Monongahelia river on said ridge to the Northwestern turnpike road, thence north with the said ridge to the corner of the Harrison and Tyler county line, thence on the ridge between Muckleroy creek and Fishing creek, thence with the said ridge to the head of George's run (a branch of Muckleroy), thence a straight line to the mouth of Flint's run, thence a straight line to the mouth of Arnold's creek, thence a straight line to the Northwestern turnpike road, at tollgate number eleven, thence a straight line to the beginning.

Fayette County.

Formed in February, 1831, from Logan, Greenbrier, Nicholas and Kanawha counties.

Bounded as follows: Beginning on New river where the lines of Giles and Logan counties strike the same, thence down said river to the mouth of Lick creek, thence a straight line to the top of Little Seawell mountain, where the Kanawha turnpike crosses the same, so as to embrace the dwelling-house of J. P. Thomasson, thence a straight line to Meadow river, at the mouth of Mill creek, thence down down said river to its mouth thence down Gauley river to the mouth of Twenty mile creek, thence up Twenty mile creek to the mouth of Bell creek, thence up Bell creek to James Nicholas's, thence a straight line to Rock camp, on the present line of Nicholas and Kanawha counties, thence a straight line to Kanawha river, at the mouth of Smithers's creek, thence a straight line crossing Kanawha river, and some of the waters of Paint creek, Cabin creek, and North-east fork of Cole river and the West fork of same, to the intersection of the lines of Kanawha and Logan counties, at the end of the Great Cherry Pond mountain, thence with the dividing ground, dividing the waters that flow into the Marsh fork of Cole and New rivers, on the one side, and the Little Cole river, and the waters of Guyandotte river, on the other side, to the present line of Logan and Giles counties, thence with said line, to New river, the beginning.

Gilmer County.

Formed in February, 1845, from Lewis and Kanawha counties.

Bounded as follows: Beginning at the corner of Braxton county line, situate at the left hand fork of the Three lick fork of

Oil creek, thence a straight line to the fork of the road on Leading creek, between Robert Benson's and Aaron Schoolcraft's, thence a straight line to the southeast corner of Ritchie county, thence with the Ritchie, Wood and Jackson county lines, to a point where the latter crosses the west fork of the Little Kanawha river, thence such lines as will embrace all the waters of the said west fork of the Little Kanawha river to the Braxton and Kanawha county line, thence with the lines of Braxton county to the beginning.

Grant County.

Formed in February, 1866, from Hardy county.

Bounded as follows: Beginning at Fairfax Stone, at the junction of the line between West Virginia and Maryland, corner to said county of Hardy, and with the said boundary line down the north branch of the Potomac, to the Hampshire (now Mineral) and Hardy county line, thence with the said line southward crossing Patterson's creek mountain, and thence running the division line between the proposed new county and Hardy county, southward along the top of mountain to the gap below the mouth of Luney's creek, thence with a straight line to the top of Elkhorn Reek, thence along the top of the mountain range which divides the waters of South Mill creek, from those of the South Fork to the Hardy and Pendleton county line, thence with the latter northward to the Hardy and Tucker county lines, and with the latter to the beginning.

Greenbrier County.

Formed in October, 1777, from Botetourt and Montgomery counties.

Bounded as follows: Beginning on the top of the ridge which divides the Eastern from the Western waters, where the line between Augusta & Botetourt crosses the same, and running thence the same course continued north fifty-five degrees west to the Ohio, thence beginning at the said ridge, at the said lines of Botetourt and Augusta, running along the top of the said ridge, passing the Sweet Springs, to the top of Peter's mountain, thence along the said mountain to the line of Montgomery county, thence along the same mountain to the Kanawha or New River, thence down the said river to the Ohio.

Hampshire County.

Formed in November, 1753, from Frederic and Augusta.

Bounded as follows: All that part of the county of Augusta which lies within the bounds of the Northern Neck, be added to, and made part of the county of Frederic, and that from and immediately after the said first day of May, the said county of Frederic, and the said part of the county of Augusta so to be added to, and made part of the county of Frederic as aforesaid, be divided into two counties, and that all that part thereof lying to the westward

of the ridge of mountains commonly called and known by the names of the Great North or Cape Capon Mountain, and Warm Spring Mountain, extending to Potowmack river, be one distinct county, and called and known by the name of Hampshire.

Hancock County.

Formed in January, 1848, from Brooke county :

Bounded as follows : Beginning on the Ohio river, at the ledge of rocks commonly called and known as "Williams's rocks," thence by a straight line to the toll-gate on the Holliday's Cove turnpike road, thence a due east course to the Pennsylvania State line, thence (from the point of intersection or meeting with said State line,) with and along said Pennsylvania State line, north, to the Ohio river, thence with and along the said Ohio river, as it meanders, to the place of beginning.

Hardy County.

Formed in October, 1785, from Hampshire County.

Bounded as follows : Beginning at the north branch of Potowmack, opposite to the mouth of Savage river, and running thence in a direct course so as to strike the upper end of the plantation known by the name of Myres's mill, on New creek, thence in a direct course to John Lewis's mill, on Patterson's creek, thence in a direct course to the highest part of the mountain known by the name of the High Nob, thence in a direct course to the gap of the Short Arse mountain, where the North river runs through the same, thence along the road leading by the upper end of Henry Fry's plantation, on Cape Capon, and along the said road to the top of the North mountain, to the dividing line between the counties Shenandoah and Hampshire.

Harrison County.

Formed in May, 1784, from Monongalia county.

Bounded as follows : Beginning on the Maryland line at the fork ford on the land of John Goff, thence a direct course to the head waters of Big Sandy creek, thence down the said creek to Tyger's valley fork of Monongalia river, thence down the same to the mouth of the West fork river, thence up the same to the mouth of Biggerman's creek, thence up the said creek to the line of Ohio county.

Jackson County.

Formed in March, 1831, from Mason, Kanawha and Wood counties.

Bounded as follows : Beginning at the mouth of Pond creek on the Ohio river, thence a direct line to the West corner of Lewis County, where the lines of Lewis, Wood and Kanawha counties meet, thence with the line dividing Lewis and Kanawha counties

to a point where the West fork of the Little Kanawha river crosses said line, thence a direct line to the mouth of the Middle fork of Countze's creek, a branch of Pocatalico river, thence a direct line to the mouth of the first branch emptying into the Ohio river above the Letart falls, thence up the Ohio river, following its meanders to the place of beginning.

Jefferson County.

Formed in January, 1801, from Berkeley county.

Bounded as follows: All that part of the county of Berkeley, lying eastwardly of a line beginning at Opeckon creek in the Fredrick line, thence with the said creek to the bend immediately below Wallingford's tavern, thence running a direct line to Wyncop's spring on the public road leading from Martinsburg to Shepherdstown, and thence with the meanders of the spring run to its confluence with the Potomac.

Kanawha County.

Formed in November, 1788, from Greenbrier and Montgomery counties.

Bounded as follows: Beginning at the mouth of Great Sandy in the said county of Montgomery, thence up the said river with the line of the said county to the mountain generally known by the name of Cumberland Mountain, thence a north east course along the said mountain to the Great Kanawha, crossing the same at the end of Gawly mountain, thence along the said mountain to the line of Harrison county, thence with that line to the Ohio river, thence down the said river, including the islands thereof to the beginning.

Lewis County.

Formed in December, 1816, from Harrison county.

Bounded as follows: Beginning at the head of the left-hand fork of Jesse's run, then a straight line to the mouth of Kincheloe's creek, thence up said creek to the dividing ridge, then a West course to the Wood county line, then to include all the South part of Harrison down to the mouth of Buckhannon river, then a straight line to the beginning.

Lincoln County.

Formed in February, 1867, from Cabell, Putnam, Kanawha and Boone counties.

Bounded as follows: Beginning at the old ford of Mud river, about two hundred yards below the mouth of Trace fork of said river, thence with the dividing ridge between Trace creek and Little Buffalo creek, to the dividing ridge between Bear creek, Trace creek and Tyler creek to Guyandotte river, at the mouth of Madison's creek, thence S. forty-five degrees, W. to the Wayne coun-

ty line, thence with said line to the Logan county line, thence with said line to the Boone county line, thence with the original line of Cabell county to the head of Big creek, a branch of Mud river, thence along the top of the ridge above said creek, to a point opposite the ford above the farm of Mark Adkins, thence crossing at said ford, and along the top of the ridge below Parcener creek, to the head of Horse creek, thence with the dividing ridge between the waters of Mud and Coal rivers, and the waters of Big Hurricane creek, to and with the dividing ridge between the Trace fork of Mud river, Charley's creek and Little Two-mile creek, to the place of beginning.

Logan County.

Formed in January, 1824, from Giles, Cabell, Tazewell and Kanawha counties.

Bounded as follows: Beginning at the junction of the White Oak Mountain and New River, proceeding with the meanders thereof, until it meets the line of Kanawha county, thence with the lines thereof, taking the dividing ridge between Big and Little Cole rivers, until it comes on a line with the head of Rock creek, then down the same to its mouth, then crossing Little Cole, proceeding with the dividing ridge, between Turtle and Horse creeks, to the head of Ugly creek, thence down the same to its mouth, crossing the Guyandotte in a straight line to the mouth of Narrowbone creek, thence up the Tug fork of Big Sandy river to the mouth of Elk-horn creek, and then proceeding with the dividing ridge between Elk-horn creek and the Tug fork, and so on, a line with the Flat-top mountain, to the beginning.

Marion County.

Formed in January, 1842, from Monongalia and Harrison counties.

Bounded as follows: Beginning at Laurel point, (a corner of the line of Preston county), from thence to the mouth of Maple ran, on White Day creek, thence down White Day creek to Barnabas Johnson's meadow, thence a straight line to a low gap on the top of a ridge on the lands of the Reverend John Smith, at or near where the road leading from Middletown to Morgantown crosses said ridge, and following said ridge to where the old State road crosses said ridge, thence a due west line to the line of Harrison county, thence with said line of Harrison county to the line of Tyler county, thence following the line of Tyler county to the Rock Camp fork of Binghammon creek, thence to the mouth of Little Binghammon creek, thence following the main creek down to the West Fork river, thence to Pollen's fork of Booth's creek, thence up Huston's fork of Booth's creek until a due east line will strike the mouth of Wickwier's creek, and thence following the Monongalia county line to the place of beginning.

Marshall County.

Formed in, March, 1825, from Ohio county.

Bounded as follows : Being all that part of the lower end of the county of Ohio, lying south of a line beginning on the Ohio river at a stone to be fixed on the bank of said river, one-half mile above the mouth of Boggs' run, thence a direct line to the northern boundary of the town of West Union, and thence continuing the same course to the Pennsylvania line.

Mason County.

Formed in January, 1804, from Kanawha County.

Bounded as follows : Beginning at the mouth of Little Guyandotte river running thence to the north-west corner of a survey of one thousand four hundred and thirty-seven and a half acres made for Thomas Lewis in Teaze's valley near the house of Joshua Morris, from thence to the mouth of Little Hurricane creek, thence crossing the Kanawha river and taking a dividing ridge between eighteen mile and Pocatallico creeks to the end thereof, thence pursuing a north-east direction till it intersects the Wood county line to the Ohio, thence down the Ohio to the beginning.

Mercer County.

Formed in March, 1837, from Giles and Tazewell counties.

Bounded as follows : Beginning at the mouth of East river in Giles county, and following the meanders thereof up to Toney's mill dam, thence along the top of said mountain to a point opposite the upper end of the old plantation of Jesse Belcher, deceased, thence a straight line to Peerie's mill dam, near the mouth of Alps valley, thence to a point well known by the name of the Pealed Chestnuts, thence to the top of the Flat top mountain, thence along said mountain, with the lines of Logan, Fayette and Tazewell counties to New river, thence up and along the various meanders of the same to the beginning.

Mineral County.

Formed in February, 1866, from Hampshire county.

Bounded as follows : Beginning at the point where the dividing line between the county of Hardy and the said county of Hampshire intersects the line between this State and the State of Maryland, thence running with said line between said counties of Hardy and Hampshire, crossing Patterson's creek to the dividing line between the townships of Welton and Romney, in the said county of Hampshire, on the top of Middle Ridge, thence along the top of Middle Ridge, and with the said line between the townships of Welton and Romney, to the dividing line between the townships of Frankfort and Springfield in the said county of Hampshire, thence along the top of said Middle Ridge and with said line between the said townships of Frankfort and Springfield, to the Maryland line, thence with the dividing line between this State and the State of Maryland, to the place of beginning.

Mingo County.

Formed in January, 1895, from Logan county.

Bounded as follows: Beginning on the Tug fork of Sandy river where the county line of said county of Logan and county of Wayne, of said State of West Virginia, intersects the State line between the States of West Virginia and Kentucky, and thence in a northerly direction, with the county line of said counties of Logan and Wayne, to where the line of the county of Lincoln of said State of West Virginia, intersects said line, and thence still in a northerly direction, with the county lines of said counties of Logan and Lincoln, to where said line crosses the ridge between the waters of the left fork of Twelve Pole creek and the waters of the Guyandotte river, and thence in an easterly direction with said dividing ridge, around the head of the left fork and right fork of Twelve Pole creek, continuing with said ridge, and connecting with the ridge that divides the waters of Twelve Pole creek and the waters of Island creek, and continuing with said ridge in a southerly direction to where it unites with the ridge between the waters of Island creek and the waters of Pigeon creek, and continuing with the ridge between the waters of Island creek and the waters of Pigeon creek, to heads of said creeks, where said dividing ridge unites with the ridge between the waters of Main Island creek, and the waters of the Horse Pen fork of Gilbert's creek, thence in a northerly direction with the ridge between the waters of the Horse Pen fork of Gilbert creek on the one side, and the waters of Island creek, Rich creek and Rockhouse creek, on the other side, to the head or upper end of the ridge between the waters of Rockhouse creek and Sand Lick branch and the waters of Silvery branch, thence down the ridge to the head of the ridge between Deep ford branch and Laurel branch, thence down said ridge to Guyandotte river, thence crossing said river where the lower point of the ridge on the lower side of Spice creek comes to the river, thence leaving the river and up said ridge on the lower side of Spice creek, to where it intersects the ridge between Spice creek and Leatherwood creek, and thence up and along said dividing ridge, to the county line between the counties of Logan and Wyoming, and thence, with said county line in a southerly direction, to where said county line intersects the county line between the counties of Logan and McDowell, and thence with said county line of Logan and McDowell, to the State line between the States of West Virginia and Virginia, the same being the Tug fork of Sandy river, thence down the Tug fork of Sandy river, the same being the county line of Logan county, to the beginning.

Monongalia County.

Formed in October, 1776, from West Augusta District.

Bounded as follows: All that part of the district of West Augusta lying to the northward of the county of Augusta, to the westward of the meridian of the head fountain of Potomac, to the southward of the county of Yohogania, and to the eastward of the county of Ohio.

Monroe County

Formed in January, 1799, from Greenbrier County.

Bounded as follows: Beginning where the ridge dividing the eastern and western waters joins Peter's mountain, and with said ridge to the ridge which divides Howard's and Second creek, thence with the said ridge westwardly including the waters of Second creek to the wagon road at Robert Knox's, thence with the said creek to Thomas Nichol's spring branch, thence a straight line to Alderson's ferry landing on Greenbrier river, thence down the said river to the mouth of Muddy creek, thence crossing the same to the ridge that divides the waters of Muddy creek and Griffith's run, and with the said ridge to Keeny's knobs, and with said knobs, including the waters flowing into Greenbrier river to New river, and up the same to where it breaks through Peter's mountain, thence with the said mountain an eastwardly course to the beginning.

Morgan County.

Formed in February, 1820, from Berkeley and Hampshire counties.

Bounded as follows: Beginning at the mouth of Cherry's run at the river Potomac, in the county of Berkeley, thence up the middle of said Run to its source, thence due west to the top of Sleepy Creek Mountain, thence along the top of said Mountain to the line that separates the counties of Frederick and Berkeley, thence with the said line to the county of Hampshire, thence in a direct line until it strikes the river Potomac opposite Mitchell's Rock, thence by the river Potomac to the beginning.

McDowell County.

Formed in February, 1858, from Tazewell county.

Bounded as follows: Beginning at the mouth of Bull creek on Tug river, and up the point between the said Bull creek, including the waters of said Bull creek, to the top of the ridge between Tug river and Knox creek, and up the said ridge to the dividing ridge between the Lavien fork and the Tug fork, eastwardly along said ridge to the Bear Waller, and eastwardly along the ridge between Clinch and the Dry fork of Sandy, to a place called the But of Belsher's ridge, thence a straight line to the mouth of the Horse Pen creek, and up the same to Jesse J. Doughton's, and up the left hand fork of said Horse Pen creek to the Low gap in the Tug ridge, thence with the same to the ridge between Abb's valley and Sandy to the Mercer line, and with the same to the Wyoming line, and with the Wyoming and Tazewell line to a point opposite the mouth of the Dry fork, thence with the top of the dividing ridge between Tug and Guyandotte to the head of Four Pole to the Logan line, and with the same down Four Pole to the mouth of the same to Tug river, and up Tug river to the mouth of Bull's creek to the beginning.

Nicholas County.

Formed in January, 1818, from Greenbrier, Kanawha and Randolph counties.

Bounded as founded: Beginning at the mouth of Ganley river on the east side thereof, thence up the said river and binding thereon one mile and a half, thence to the mouth of Rock Camp fork on Bell creek, thence to the mouth of Buffalo on Elk river, thence up the latter to the mouth of Otter creek, thence up the west side of Otter to the dividing ridge between Little Kanawha and Elk rivers, thence to include the inhabitants of Holly, thence to Miller's old improvement on Elk river, thence to the Spice bottom on Williamson's river, thence to the fork of Cranberry, thence to the sixteen mile Tree on the wilderness road, thence crossing the old State road on the Dogwood ridge to New river, thence down the same to the beginning.

Ohio County.

Formed in October, 1776, from West Augusta District.

Bounded as follows: Beginning at the mouth of Cross creek, thence up the same to the head thereof, thence south eastwardly to the nearest part of the ridge which divides the waters of the Ohio from those of the Monongahela, thence along the said ridge to the line which divides the county of Augusta from the district of West Augusta, thence with the said boundary to the Ohio, thence up the same to the beginning.

Pendleton County.

Formed in December, 1787, from Augusta, Hardy and Rockingham.

Bounded as follows: Beginning on the line of Rockingham county, on the North mountain opposite to Charles Wilson's on the South Fork, thence a straight line to the Clay Lick on North Fork, thence to the top of the Allegany, and along the same and the east side of the Greenbrier waters to the southwest fountain of the South Branch, and thence between the same and the waters of James River along the dividing ridge to the said North mountain, and with the top of the same to the beginning.

Pleasants County.

Formed in March, 1851, from Wood, Tyler and Ritchie Counties.

Bounded as follows: Beginning at the mouth of Bull creek in the county of Wood, thence up said creek to its head, crossing the Ritchie county line, and on to the top of dividing ridge, thence with said ridge to the Tyler county line, thence on said ridge with the Tyler and Ritchie county line to the head of Coal run, a branch of McKim's fork of Middle Island creek, and down the same to its mouth, thence to the mouth of Sheet run, and up the same to its head, and over to the head of Thomas' run and down the same to the Ohio river, thence down the Ohio river to the beginning.

Pocahontas County.

Formed in December, 1821, from Bath, Pendleton and Randolph counties.

Bounded as follows: Beginning at the line of Greenbrier county on the top of the Alleghany mountain, thence with the said line to the head of Spice run, thence with said line to the end of the Droop mountain, thence with said line to Fryer's Knob, thence with said line to where it intersects the line of Bath and Randolph, thence with the line dividing Randolph and Greenbrier counties to the mountain opposite the junction of the Bonnock Shoal run with William's river, thence a straight line to the mouth of the Dry Fork of Elk river, thence a straight line to the top of the mountain between the head of the Valley river and the point last aforesaid, where the road leading from Clover Lick to Randolph court-house crosses said mountain, thence a straight line to where the line of Pendleton county intersects the line of Bath and Randolph counties on the top of the mountain between Cheat and Greenbrier rivers, thence with the top of said mountain to where the road leading from Slaven's to Randolph court-house crosses it, thence a straight line to the top of the Alleghany mountain opposite the head of the east fork of the Greenbrier river, thence with the top of said mountain to the Pendleton line, and thence with the top of said mountain to the beginning.

Preston County.

Formed in January, 1818, from Monongalia county.

Bounded as follows: Beginning at the Pennsylvania line near Fickle's, including the same, thence a straight line to where Cheat river breaks through the Laurel Hill, so as to include all the inhabitants of the Monongalia Glades settlement, including Samuel Price's and Henry Carother's from thence including Gandy's, to the Clarksburg road on the Laurel Hill where it descends, from thence a direct line to the junction of the Big and Little Sandy creeks, where the Randolph county line is, from thence with Randolph county line, to the Maryland line, from thence to the Pennsylvania line to the beginning.

Putnam County.

Formed in March, 1848, from Kanawha, Cabell and Mason Counties.

Bounded as follows: Beginning at the mouth of Gallatin's branch where the same flows into the Kanawha river, thence with a straight line (crossing the Kanawha river) to the upper point of the Cedar cliff, below the great Horse Shoe Bend of Pocatalico river, thence with the dividing ridges between the waters of Kelly's creek and Armor's creek, between Kelly's and the Left Hand fork of Pocatalico, and between the waters of Frog's creek and the Eighteen Mile creek to a low gap at the head of the Main fork of said Frog's creek, near a large lick, thence with a straight line to the nearest point in

the line of Jackson county, thence with said Jackson line westwardly to the head of the Mud-lick fork of the Thirteen mile creek, thence with a straight line to the mouth of Eighteen mile creek, on the lower side thereof, thence crossing the Kanawha river with a straight line to the mouth of the "White Pine Fork" of the Ohio Eighteen mile creek, thence with a line to a point on the present Guyandotte turnpike, midway between the residence of Thomas Handley and the late residence of Thomas M'Allister deceased, thence to the Trace fork of Mud river, at the mouth of Sycamore, a stream flowing into the Trace fork, thence up the said Trace fork on the northeast side thereof, and binding thereon, to James M'Allister's, so as to include his farm in the new county, thence with a straight line to the top of Coal mountain, where the turnpike passes the same, thence along the said mountain and the ridges thereof, as the same divides the waters falling into Coal river from those falling into Scarry creek, to the point on said mountain where the old State road to Kentucky crosses the same, thence with a straight line to the mouth of Gallatin's branch, the place of beginning.

Raleigh County.

Formed in January, 1850, from Fayette County.

Bounded as follows: Beginning where the county line between the counties of Mercer and Fayette strikes New river, thence down and along said river, with its meanders, to the mouth of Salt Lick run, near Isaac Sanner's, thence a straight line to the top of the dividing ridge between the waters of Paint creek and Cole river, crossing Paint creek at the upper end of Jackson Jarrell's plantation, thence with and along the top of said dividing ridge westwardly, to the dividing ridge between Cole river and Cabin Creek, and with and along the top of the same to the Boone county line, thence with the Boone county line to the end of the Great Cherry Pond mountain, thence with and along the top of the dividing grounds between the waters that flow into the Marsh fork of Cole river and New river on the one side, and those that flow into Little Cole and Guyandotte rivers on the other side, to the present line between the counties of Fayette and Mercer, and with said line to New river at the beginning.

Randolph County.

Formed in October, 1786, from Harrison county.

Bounded as follows: That is to say so much of the said county lying on the South-East of the following lines, beginning at the mouth of Sandy creek, thence up Tyger's Valley river to the mouth of Buchanan river, thence up the said river including all the waters thereof, thence down Elk river including the waters thereof, to the Greenbrier line.

Ritchie County.

Formed in February, 1843, from Harrison, Lewis and Wood counties.

Bounded as follows: Beginning at the forks of Hughe's river in Wood county, thence a straight line to where the county road (that passes down the north fork of Hughe's river to the Little Kanawha river) crosses Goose creek, thence up Goose creek to the mouth of Laurel fork, thence up Laurel fork to its head, at the dividing ridge between Goose creek and Walker's creek, thence with the said dividing ridge around the waters of Goose creek to the head of Sharp's run, thence down said run to Cow creek, thence down said Cow creek to the mouth of Bukey's run, thence up said run to the head thereof, thence a due east course to the line of Tyler county, thence with the line of Tyler county to the line of Harrison county, thence with the line of Harrison county to the top of the dividing ridge between Arnold's creek and Middle Island creek, and with the said ridge to the ridge between the south fork of Hughe's river and the waters of Middle Island creek, and with the same continuing around the head of the south fork of Hughe's river to the dividing ridge between said south fork and other waters of the Little Kanawha river, continuing the said ridge around the waters of said south fork to the head of Island run, thence down said run and the said south fork to the beginning.

Roane County.

Formed in March, 1856, from Kanawha, Jackson and Gilmer counties.

Bounded as follows: Beginning at the farms of John W. Carder and Hartlies, on the Ravenswood and California turnpike road in Jackson county, thence a straight line to the thirteenth mile stake on the Glenville, Ripley and Ohio turnpike road east of Ripley, thence a straight line to the forks of the creek above John Welch's mill, on the Elk fork of Mill creek, thence to the head of Wolf Pen creek, a branch of Pocatalico, so as to include all said creek to the main Pocatalico near the mouth of Green creek, then crossing main Pocatalico creek to the ridge dividing Green and Little Sandy creeks, and with the same to the wagon road leading from Charleston to Pocatalico creek, thence a straight line to Osborne's mill on Big Sandy creek, so as to include the improvements of the said Osborne, thence eastwardly by the shortest line to the top of the dividing ridge between Sandy and Elk rivers, thence along the top of said ridge to the Braxton county line, thence along said line to the corner of Braxton and Kanawha counties, near the head of Big Sandy creek, thence with the Braxton line to the dividing ridge between Henry's fork and Beech fork, thence down said ridge to the mouth of Beech fork, thence down Henry's fork to the West fork of Little Kanawha river, thence down said river to the line of Wirt county, thence with the line of Wirt to the Jackson county line, thence with the line of Jackson and Wirt counties, crossing Spring and Reedy creeks, so as to include the farm of M. D. W.

Boggs, to the mouth of Dempsey Flusher's lane, thence a straight line to the top of the ridge between Conrad's and Cain's runs, so as to include all Cain's run, and with said ridge to the ridge between Reedy and Sandy creeks, thence a straight line to the place of beginning.

Summers County.

Formed in February, 1871, from Mercer, Monroe, Greenbrier and Fayette counties.

Bounded as follows: Beginning at the mouth of Round Bottom Branch on New river, in Monroe county, thence crossing said river, and running N. $47\frac{1}{2}$ degrees—West 5,450 poles through the county of Mercer, to a point known as "Brammon's Gate" on the line dividing the counties of Mercer and Raleigh, thence with said county line in an easterly direction to New river, thence with the line between the counties of Raleigh and Greenbrier, down New river to the line of Fayette county, thence with the line dividing Raleigh and Fayette counties, down said river to a station opposite Goddard's house, thence leaving the line of Raleigh county crossing New river, passing through said Goddard's house, N. $67\frac{1}{2}$ deg. E. 3,280 poles, through said county of Fayette to a station on "Wallow Hole" mountain in Greenbrier county, thence S. 55 deg. E. 3,140 poles, to a station east of "Keeney's Knob," in Monroe county, thence S. 9 degrees—E. 1,320 poles, to a station near Greenbrier river, and running thence S. 32 degrees—W. 7,740 poles to the beginning.

Taylor County.

Formed in January, 1844, from Harrison, Barbour and Marion counties.

Bounded as follows: Beginning at the place called and known as the Laurel point, the corner of Monongalia, Marion and Preston counties, thence running a straight line to the upper end of the falls of the Tygart valley river, thence down and with the meanders of said river to the mouth of Lost run, thence a straight line to the forks of Booth's creek at Poland's, thence up the right hand fork of said creek to the residence of Anderson Corbin, thence southward to the residence of James M'Daniel on the Northwestern turnpike road, thence a due south course to Simpson's creek, thence up and with the meanders of said creek to the residence of Joseph Bailey, thence a southeast course to the line of Barbour county at Samuel Bartlett's, thence a straight line so as to include the farm of John H. Woodford on Pleasant creek, one-fourth of a mile below Jedediah Sayer's, thence a northeast course to the Valley river, crossing said river at the mouth of Big Sandy creek, thence with the line dividing the counties of Barbour and Marion to the corner of Marion, Barbour and Preston counties, thence with the line dividing said Marion and Preston counties, to the beginning.

Tucker County.

Formed in March, 1856, from Randolph county.

Bounded as follows: Beginning at Fairfax's corner stone, and running thence with the division line between Hardy and Randolph counties, to the corner of Pendleton county, thence with a straight line to the fork of Red creek, thence down Red creek to its mouth on the Dry fork of Cheat river, thence by a straight line to the point where the Pheasant run road crosses Laurel hill, thence with the top of Laurel hill to the Barbour county line, thence with said Barbour county line to the corner of Preston county, and with the line of Preston county to the beginning.

Tyler County.

Formed in December, 1814, from Ohio County.

Bounded as follows: Beginning at the Southwest corner of the Pennsylvania line, thence a due west course to the Ohio river; thence with said river to the Wood county line, thence with said line to the line dividing Monongalia from Ohio county, thence with said line to the Pennsylvania line, and with it to the beginning.

Upshur County.

Formed in March, 1851, from Randolph, Barbour and Lewis counties.

Bounded as follows: Beginning at a rock or milestone on the Staunton and Parkersburg turnpike road, ten miles east of Weston, in Lewis county, running thence a straight line to the head of Saul's run, a branch of Fink's run, thence to the mouth of Pringle's fork of Stone Coal creek, thence up said fork to the forks of said fork, thence with the ridge dividing the waters of said forks to their head waters, and with said ridge to the head of French creek above Taylor Townsend's farm, thence to the mouth of the Cherry Camp fork of the Little Kanawha river, thence to the mouth of the Buffalo fork of said river to the Braxton county line, and with said line to the head of the right hand fork of the said river, thence to the three forks of the right hand fork of Buchanan river, thence to the head of the nearest branch of Middle Fork river, thence down said river to the fording where the road leading from Teter's, on the Valley river, to House's mill on the Buchanan river, crosses said Middle Fork, thence to the fording of the Buchanan river, at or near Henry Jackson's, thence to Michael Strader's on Peck's run, including said Strader's, thence with the ridge dividing the waters of the main Peck's run from the waters of the branch on which Colonel John Reger now resides, thence with said ridge so as to divide the waters of Peck's run from Big run to Gnaty Creek mountain, thence to the mouth of the run on which John Low resides, so as to include Mr. Gum, thence so as to include all the waters of said run to Peel Tree mountain, thence running west to the Harrison county line, thence with said line to a stone standing on the line of Lewis and Harri-

son counties, and on the dividing line between Lost creek, Rooting creek and Jesse's run, thence a straight line to the mouth of Rover's run, a branch of Hacker's creek, and thence to the beginning.

Wayne County.

Formed in January, 1842, from Cabell county.

Bounded as follows: Beginning at the mouth of Fourpole creek on the Ohio river, thence a straight line to the mouth of Long branch, (so as to include the house and farm of Asa Booton within the new county,) thence following the top of the dividing ridge between the said Long branch and the Beach fork of Twelvepole river, up to the mouth of Raccoon creek, thence crossing the Raccoon creek to the dividing ridge between the said Beach fork and Guyandotte river, thence along the said dividing ridge to the line dividing the counties of Logan and Cabell, thence with said line to the mouth of Marrowbone creek, a branch of the Tug fork of Big Sandy river, thence down said Big Sandy river, with the line dividing this State from Kentucky, to the mouth of Big Sandy river, thence up the Ohio river to the place of beginning.

Webster County.

Formed in January, 1860, from Nicholas, Braxton and Randolph counties.

Bounded as follows: Beginning at the main forks of the Little Kanawha river, above Haymond's mills, thence with the right hand fork of said river, being the original line of Lewis and Braxton counties, and now the line between Upshur and Braxton counties, at the head of said right hand fork of Kanawha, thence a straight line to the eastern corner of the lands of Abraham Buchannon, thence a straight line to the Whitaker rock on Elk river, thence a straight line, by the way of Three forks of Gauley river, to the Pocahontas line, and with said line to a point opposite the mouth of Stroud's creek, thence a straight line by the mouth of Stroud's creek to the mouth of Skile's creek on Big Birch river, thence a straight line to the half way point on Holly river, thence a straight line to the beginning.

Wetzel County.

Formed in January, 1846, from Tyler county.

Bounded as follows: Beginning on the Ohio river at the lower end of James Peden's (or Paden's) farm, where the lands of said James Peden (or Paden) and Richard Anachron join, thence a straight line to the north side of the farm now owned by Reuben Martin, Esquire, on Point Pleasant creek, thence a northeast course to the top of the ridge dividing the waters of Fishing creek and Middle Island creek, thence following the top of said ridge to the line dividing the counties of Harrison and Tyler, thence with the Tyler county line to the line dividing the counties of Tyler and

Marshall, thence with said line to the Ohio river, thence down the said river to the place of beginning.

Wirt County.

Formed in January, 1848, from Wood and Jackson Counties.

Bounded as follows: Beginning where the Ritchie county line crosses Goose creek, and thence a straight line to the mouth of Hughes' river, thence down the Little Kanawha river to the mouth of Dailey's run, thence a straight line to the head of the Buckeye fork of Sandy creek, near John Stephens, Junior, thence with and along the top of the dividing ridge between Sandy and Tucker's creeks, and Sandy and Reedy creeks, to the Jackson trace road, where the same crosses said dividing ridge, and thence, running with and along said road to, including the residence of John P. Thomasson in Jackson county, and thence continuing with and along said road to and including the residence of William Goff on Spring creek, thence to the head of Triplett's run on the Gilmer county line, thence, running with and along said Gilmer and Ritchie county line, to the place of beginning.

Wood County.

Formed in December, 1798, from Harrison county.

Bounded as follows: Beginning at a point thirty miles from the Ohio river on the line dividing the counties of Harrison and Kanawha, thence northeasterly to intersect the line of Ohio county at twenty-one miles distance from the Ohio river, on a straight line from that point where the line of Ohio county strikes the said river, being all that part of Harrison county lying to the westward of said line.

Wyoming County.

Formed in January, 1850, from Logan county.

Bounded as follows: Beginning on the top of Guyandotte mountain, on the line between Logan and Fayette counties, where the road leading from the Clear fork to Fayette crosses, thence with the line between Logan and Fayette to the Boone county line, thence with the line between Logan and Boone to the main dividing ridge between Buffalo and Huff's creeks, and down said ridge to the Grassy spring, thence a straight line to the top of Huff's creek mountain at the head of Cub creek, thence with and along the top of the ridge below Cub creek to the Guyandotte river, and down the same to the mouth of Little Huff's creek, thence a straight line to the top of the ridge below Little Huff, and with and along the top of said ridge to the top of the main dividing ridge between the waters of Guyandotte and Sandy rivers, and with said ridge to the head of Long Pole creek, thence with and along the top of the ridge below said creek to Sandy river, the line between Logan and Tazewell counties, thence with the lines between Logan and Tazewell, and Logan and Mercer, and Logan and Fayette counties to the beginning.
